

BUCHAREST 2026

23rd ESCD ANNUAL MEETING

EUROPEAN SOCIETY OF COSMETIC DENTISTRY

Shaping Esthetics: Where Science Meets Art

BUCHAREST 2026 Programme
earn 24 CME credits

Thursday, October 1st, 2026

HALL 1 – Constanta

- 09.30–10.15 | Dr. Ionut Branzan and Dr. Diana Boangar: *Our interdisciplinary protocol for treating worn dentitio*
- **11:00–11:30 | Coffee Break**
- 11.30–12.30 | Dr. Frank Schwarz: *Global Consensus for Clinical Guidelines (GCCG): Evidence-Based Rehabilitation of the Edentulous Maxilla*
- 12.30–13.00 | Debate: Dr. Frank Schwarz & Prof. Dr. Louis Hardan
- **13:00–14:00 | Lunch**
- **14.00–14.30 | Congress Opening Ceremony**
- 14.30–15.15 | Prof. Dr. Horia Barbu: *"Explantology Telling Stories I want to believe" abstract*
- 15.15–16.00 | Dr. Maciej Zarow: *The Structurally Compromised Tooth: Balancing Biology, Structure and Occlusion*
- **16:00–16:30 | Coffee Break**
- 16.30–17.30 | Dr. Rafi Romano: *Ortho-Restorative Synergy: Designing Esthetic Outcomes Through Interdisciplinary Planning*
- 17.30–18.00 | Debate: Dr. Rafi Romano, Prof. Dr. Horia Barbu & Dr. Maciej Zarow & Dr. Florin Lazarescu

Foyer – Poster Session

21:00 | Congress Party

Thursday, October 1st, 2026

HALL 2 – Salon D

- 09.30–10.15 | Conf. Dr. Cristian Funieru: *"The Equation of Survival" – Integrated preventive strategies dedicated to periodontal disease and peri-implantiti*
- 10.15–11.00 | Dr. Arnold Bite: *Seeing More, Preserving More: How the Intraoral Scanner Transforms Diagnosis, Communication & Minimally Invasive Dentistry*
- **11:00–11:30 | Coffee Break**
- 11.30–12.30 | Prof. Dr. Marzena Dominiak: *An innovative personalized three-dimensional bone reconstructions in orthodontic and periodontal reason*
- 12.30–13.00 | Dr. Mirela Feraru: *Designing Predictability: Digital Workflows and 3D Printing in Modern Restorative Dentistry*
- **13:00–14:00 | Lunch**
- 14.30–15.15 | Prof. Dr. Simone Ramos Marques: *Guided by Digital: Contemporary Approaches to Veneer Preparations*
- 15.15–16.00 | Dr. Cosmin Dima: *The Future of Digital Sinus Lifting: New Techniques, New Vision, New Outcomes*
- **16:00 – 16:30 | Coffee Break**
- 16.30–17.30 | Dr. Emiliano Ferrari: *Beyond compatibility: New universal protocols in fixed implant prosthetics*
- 17.30–18.00 | Dr. Tareq Hajaj: *Guided implantology: Where digital planning meets clinical reality*

HALL 3 – Timisoara Hands On

- 09.00 –13.00 | Dr. Mihai Visan: *Perception – Biomimetic Posterior Restorations*
- 14.00 –18.00 | Conf. Dr. Burcea Alexandru: *Optimization of Primary Stability in Varied Bone Densities Using ZimVie TSX® Implants in Full-Arch Rehabilitations*

HALL 4 – Galati Hands On

- 09.00 –13.00 | Dr. Gianni Pertici & Dr. Bruno Frascini: *Proper Protocols for Achieving Complete Bone Remodeling in GBR and Sinus Lift Procedures*

HALL 5 – Brasov Hands On

- 10.30–13.00 | Dr. Ionut Branzan: *Mastering silicone indexes for precision prosthetic workflows*
- 14.00–16.00 | Dr. Gökhan Dokumacigil: *Management of Single Tooth Composite Restorations: An Anatomy Driven Workflow Session 1*
- 16.30–18.00 | Dr. Gökhan Dokumacigil: *Management of Single Tooth Composite Restorations: An Anatomy Driven Workflow Session 2*

HALL 6 – Oradea Hands On

- 09.00 –13.00 | Dr. Tareq Hajaj: *Proper Protocols for Achieving Complete Bone Remodeling in GBR and Sinus Lift Procedures*
- 14.00–17.00 | Dr. Mirela Feraru: *Mastering the Digital Workflow for Printed Restorations*

Foyer – Poster Session

21:00 | Congress Party

Friday, October 2nd, 2026

HALL 1 – Constanta

- 09.30–10.15 | DT Hilal Kuday: *Hybrid Workflows, 3D Self Glazed Materials, and Biological Excellence in Lab Clinic Synergy*
- 10.15–11.00 | Dr Tomer Goldberger: *From Roots to Sinus: When Endodontics Meets the Maxillary Sinus*
- **11:00 – 11:30 | Coffee Break**
- 11.30–12.15 | Dr. Michalis Diomataris: *Contemporary protocols for anterior aesthetics—An odyssey from analog to digital*
- 12.15–13.00 | DT Florin Stoboran: *Contemporary approaches in dental technology*
- **13:00–14:00 | Lunch**
- 14.00–14.45 | Prof. Dr. Angelo Putignano: *From direct to indirect in posterior in the Styleitaliano way*
- 14.45–15.30 | Dr. Walter Devoto: *From Veneer Evolution to Veneer RE volution in Styleitaliano*
- 15.30–16.00 | Debate: Prof. Dr. Angelo Putignano, Dr. Walter Devoto & Dr. Paulo Monteiro
- **16:00 – 16:30 | Coffee Break**
- 16.30–17.15 | Prof. Dr. Robert Horowitz: *Peri-implantities—risk reduction and novel treatment methods*
- 17.15–18.00 | Dr Ariel Schusterman TBA

HALL 2 – Salon D

- 09.30–10.15 | Dr. Luca Dalloca: *What is beauty? The role of psychology of perception in harmonizing minimal and non-invasive indirect restorations into the patient faces (30 years follow up)*
- 10.15–11.00 | Dr. Gökhan Dokumacigil: *Anterior Direct Composites: Clinical Strategies for Predictable Esthetic Outcomes*
- **11:00 – 11:30 | Coffee Break**
- 11.30–12.15 | Dr. Rares Buduru: *Results are designed. Decisions in implant rehabilitation*
- 12.15–13.00 | Prof. Dr. Georgi Tomov: *Red & White Aesthetics*
- **13:00–14:00 | Lunch**
- 14.00–14.45 | Dr. Kristina Baumgarten: *Digital Smile Design: A Step-by Step Digital Approach to Esthetic Treatment Planning*
- 14.45–15.30 | Dr.Xiaorui Shi: *Occlusal design: Key to optimizing prognosis and long-term stability in the esthetic zone*
- 15.30–16.00 | Dr. Fabio Scutella: *The Vertical Geometry Concept in Modern Dentistry*
- **16:00 – 16:30 | Coffee Break**
- 16.30–17.15 | Dr. Matthias Rzeznek: *Beyond pink esthetics: technology, biology and the future of periodontal care*
- 17.15–18.00 | Dr. Alexandru Spinu: *Bone Augmentation Procedures. Implant selection criteria.*

ESCD lounge

- **11:30–13:00 | ESCD Board Meeting—only for Board Members**

HALL 3 – Timisoara

- **14:00–15:00 | ESCD Country Chairperson and General Assembly Meeting**

Foyer – Poster Session

21:00 | President Dinner

Friday, October 2nd, 2026

HALL 3 – Timisoara Hands On

- 16.30–17.30 | DT Robert Pongrac: *From Blank Canvas to Artwork*
- 17:15–18:00 | ESCD Certification

HALL 4 – Galati Hands On

- 14.00–16.00 | Dr. Michalis Diomataris: *Anteriors Indirect Approach via Bio Emulation Philosophy. Vertical Preparation and Veneer Cementation protocols*
- 16.30–18.00 | Dr. Michalis Diomataris: *Anteriors Indirect Approach via Bio Emulation Philosophy. Vertical Preparation and Veneer Cementation protocols*

HALL 5 – Brasov Hands On

- 14.00 –18.00 | Dr. Ioana Cristina Miron: *Beyond the Scaler Managing the Periodontal Patient from Diagnosis to Long-Term Stability*

HALL 6 – Oradea Hands On

- 11.30 – 13.00 | Prof. Dr. Camillo D’Arcangelo : *A Protocol Driven Digital Workflow for Predictable Restorative Outcomes*

Saturday, October 3rd, 2026

HALL 1 – Constanta

- 09.30–10.15 | Dr. Luis Pereira Azevedo: *From scanning to smile: The digital evolution of reconstructive dentistry*
- 10.15–11.00 | Prof. Dr. Sorin Mihali: *Peri-Implantitis Prevention and Long-Term Bone Stability in Digital Implant Dentistry*
- **11:00 – 11:30 | Coffee Break**
- 11.30–12.15 | Dr. Fernando Duarte: *Anatomical Maximization in Complex Oral Rehabilitations*
- 12.15–13.00 | Dr. Mauro Merli: *From Digital Data to Clinical Decisions in Interdisciplinary Oral Rehabilitation*
- 13.00–14.00 | Dr. Marco Martignoni TBA
- 14.00–14.30 | Debate: Dr. Fernando Duarte, Dr. Mauro Merli, Dr. Marco Martignoni & Dr. Marco Nicastro

HALL 2 – Salon D

- 09.30–10.15 | SL Dr. Dona Iordan: *From Traditional Oral Hygiene to Modern Prevention: The Impact of Toothbrushes and Fluoride on Oral Health*
- 10:15 – 11:00 | Dr. Fabrizio Colombo: *Soft tissue management in GBR: When to do what*
- **11:00 – 11:30 | Coffee Break**
- 11.30–12:15 | Dr. Cristian Petri: *Full digital approach from single veneers to complex oral rehabilitations on implants*
- 12.15–13.00 | Dr. Tali Chackartchi: *Ridge preservation: Essential procedure or cinical overtreatment?*
- 13.00–13.45 | Prof. Dr. Eitan Mijiritsky: *New concepts for digital full arch implant rehabilitation*
- 13.45–14.30 | Conf. Dr. Alexandru Burcea: *Bone atrophy in oral implantology: to reconstruct or to bypass?*

HALL 4 – Galati Hands On

- 12.00 – 14.00 | Dr. Paulo Monteiro, Prof. Dr. Louis Hardan, Prof. Dr. Angelo Putignano & Dr. Walter Devoto,: *Arte revolution: the success of an instrumental kit for daily dentistry explained by theStyleitaliano team*

Hall 5 – Brasov Hands On

- 09.30 – 13.00 | Dr. Alexandra Dumitrescu: *Stamp Technique with chameleon composites: no layering, no adaptation, with simplified shade selection*

HALL 6 – Oradea Hands On

- 09.30 –11.30 | Asst. Prof. Juraj Brozović: *Building Rigdes, Scanning Bridges: From Bone and Soft Tissue Grafts to Precision Fit in Implants*

HALL 7 – Craiova Hands On

- 09.30 –11.30 | Dr. Marco Martignon: *Simplified Approach To Succesfull Posterior*

Foyer – Poster Session

14:30 | Closing Ceremony
